**RESPONSE TO AND REQUEST FOR WITHDRAWAL OF ERRONEOUSLY ISSUED
NOTIFICATION OF MISSING REQUIREMENT**

Sir:

The following comments and attachments hereto are intended to be fully responsive to the Notification of Missing Requirements dated March 1, 2006 (copy attached, and hereinafter referred to as "the Notification"), which set a nominal response due date of May 1, 2006. Specifically, as will become evident from the discussion below and attached evidence, the Notification was issued in error and therefore should be withdrawn.

Applicants note in this regard that the Notification alleges that the translation of the application into English and the processing fee have not been filed. However, the records of the applicants' undersigned attorney show that such formalities were in fact timely filed in the U.S. Patent and Trademark Office on December 6, 2005. A copy of date-stamped postcard receipt which evidences the Office's acknowledgement of receipt of the certified English-language translation of the application on that date is attached as Exhibit A. In the event the translation has become misplaced in the Office's records, a duplicate copy of the same as filed on December 6, 2005 is also attached.

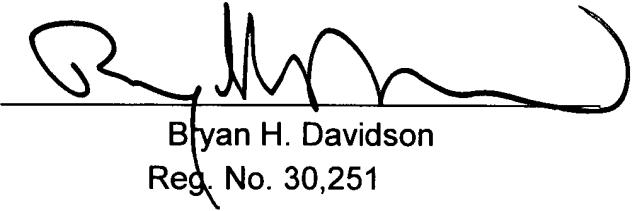

It is believed that no fees are required in this matter since the certified English language translation of the application was in fact timely filed on December 6, 2005. However, should the Office deem otherwise, the Commissioner is hereby authorized to charge any deficiency, or credit any overpayment, in the fee(s) filed, or asserted to be filed, or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Account No. 14 1140.

Favorable further action in this matter consistent with the above comments is solicited.

Respectfully submitted,

NIXON & VANDERHYE P.C.
